

What is a School-Parent Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to ensure all students reach grade-level standards.

Effective Compacts:

- Link goals to the School Improvement Plan
- Focus on Student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate progress
